EXPERIENCE

American Eagle Outfitters - New York City, NY

February 2025 - August 2025

Merchandise Assistant: Sweaters & Fleece

- Worked with a small team on current and upcoming clothing assortments to maximize profits for an apparel brand worth \$1.75 billion.
- Utilized PLM systems to issue buys of thousands of units for inventory in US, Canada, and online stores.
- Collaborated with cross functional teams to guarantee upcoming products were up to standard, merchandising plans met budget goals, and any miscellaneous issues were attended to.
- Communicated with overseas vendors to ensure samples of new products arrived accurately and on deadline.
- Created and presented a weekly recap every Monday that analyzed the sales of the previous week and gave leadership an overview on current customer buying patterns along with comparisons to years prior.

TravisMathew – Huntington Beach, CA

June 2023 – August 2023

Merchandise Intern

- Reviewed and organized samples that were then presented in a showroom for Fall/Winter 2024 collection to appeal to customers.
- Recorded and categorized notes during prototype review for Fall/Winter 2024 collection.
- Attended multiple fit meetings and documented comments and changes.
- Managed and sorted multiple collections of hundreds of lab dips.
- Collaborated with a team of eight peers on various merchandise projects to streamline workflow.
- Hosted an End of Internship Presentation where I presented new strategies to the merchandise team on improving prototype review, such as software training and ideas on enhancing employee workflow.
